

## Anti-racism Statement

At Mind in Haringey, we are committed to being an anti-racist organisation.

We acknowledge that racism and discrimination, in all its forms, causes harm and perpetuates inequality.

We stand actively against racism and are dedicated to creating a workplace and community that is safe, inclusive, and respectful for all.

We recognise the strength in our diversity and strive to ensure that every staff member, volunteer, and service user is treated with dignity and respect.

Being anti-racist means listening, learning, challenging discrimination, and taking action — every day.
